Description / Subject:

Official listing of recipients of Kent State University's Vision 21 Hall of Fame Awards, including Dr. Gene W. Poor's 1998 induction. The Vision 21 Hall of Fame recognizes distinguished graduates whose accomplishments reflect innovation, leadership, professional excellence, and significant contributions to their industries and communities.

Dr. Poor was honored for his pioneering work in animatronics through LifeFormations, his entrepreneurial achievements, and his educational impact as a professor who helped students discover their creative and professional potential. His career exemplifies the Vision 21 spirit—combining imagination, technology, business insight, and applied creativity to drive real-world change.

Digitized and preserved for educational and historical reference by Dr. Gene W. Poor, November 2025.
